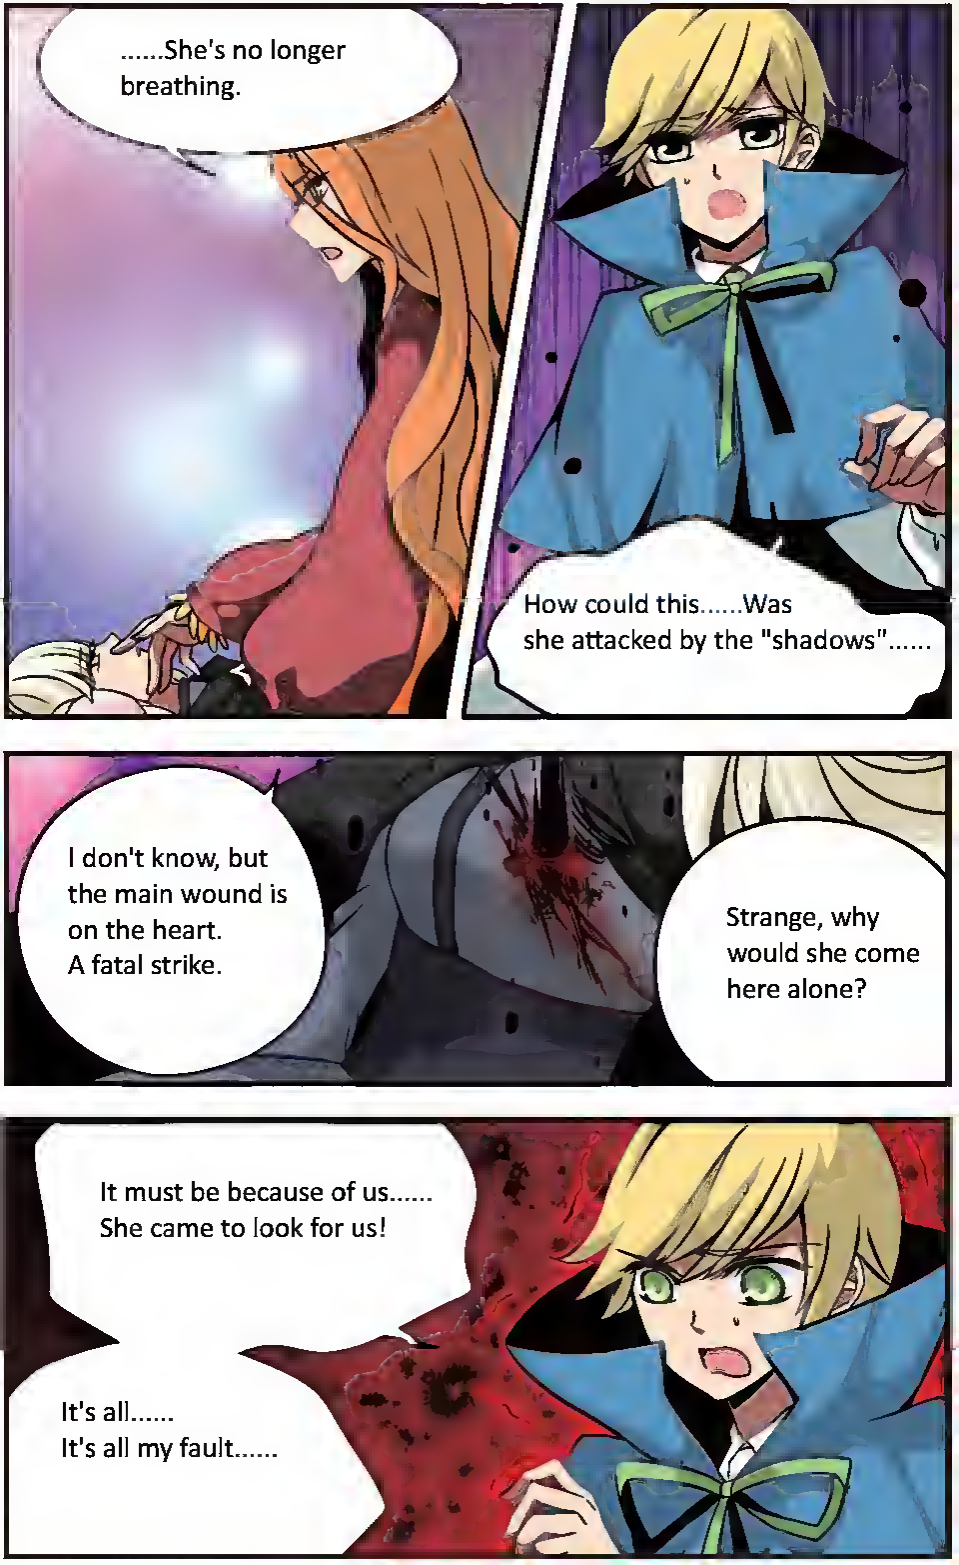
ACT67. Huizi

The trembling just now, probably came from this side.....
Careful, pay attention around your foot
Wa, even the trees have been burnt
Looks like a there was a huge fight that happened?
I-Iku.....
Isn't that.....

Christine?!
Miss Christine, wake up!
Hey! Can you hear me?



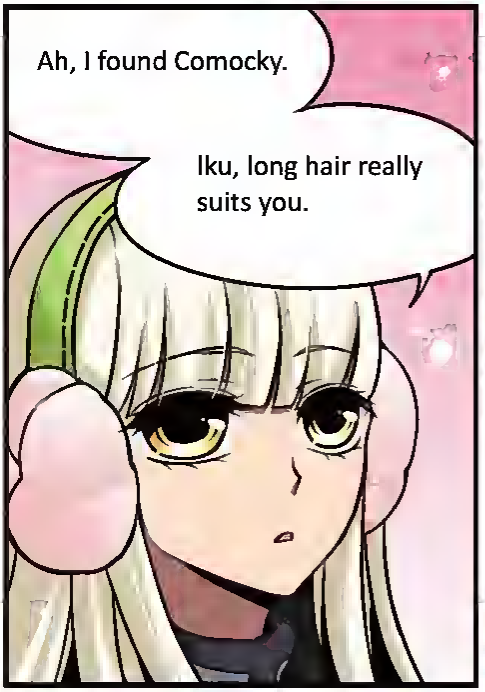
.....She's no longer breathing.
How could this.....Was she attacked by the "shadows".....
I don't know, but the main wound is on the heart.
A fatal strike.
Strange, why would she come here alone?
It must be because of us.....
She came to look for us!
It's all.....
It's all my fault.....

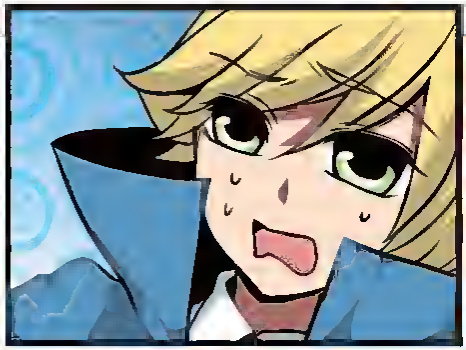
Calm down!
How would I be able to calm down!
She has already died!

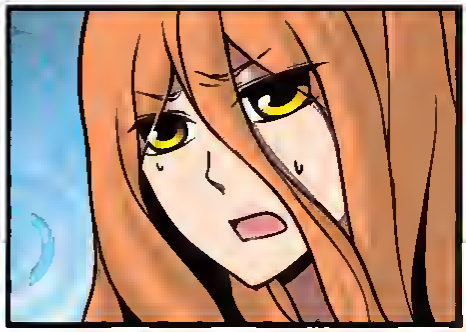
SFX: Vanish.....

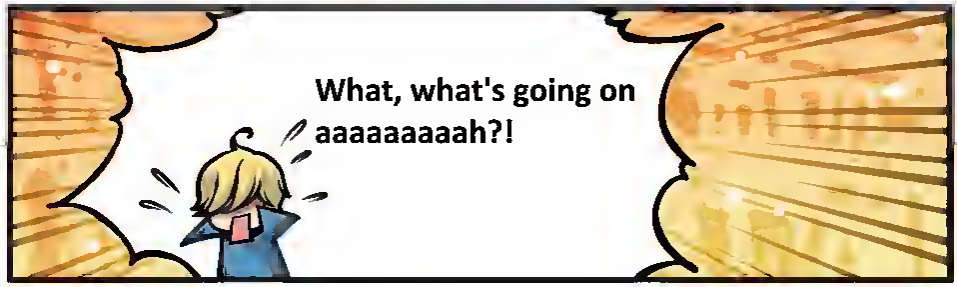
That guy.....
Sure is ruthless.

SFX: Petrified.

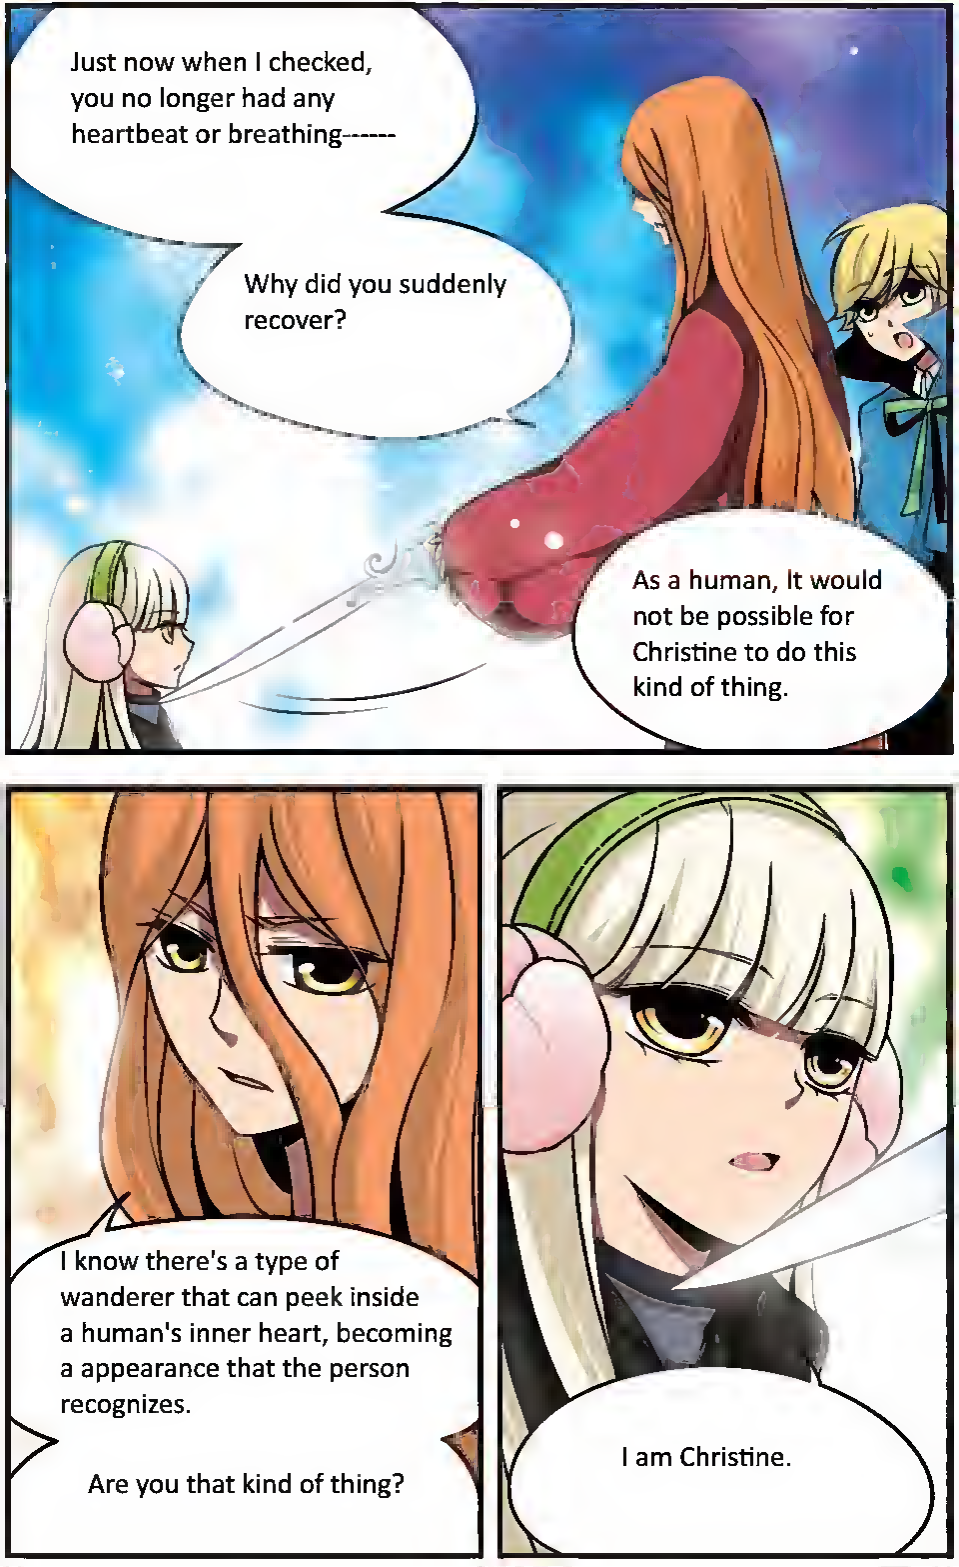






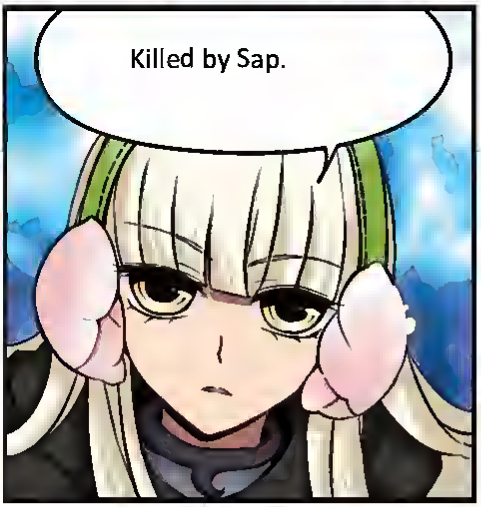


Miss Christine, are you okay?
Who was it that attacked you.....
Iku,
what's wrong?
You.....
Are you really
Christine?

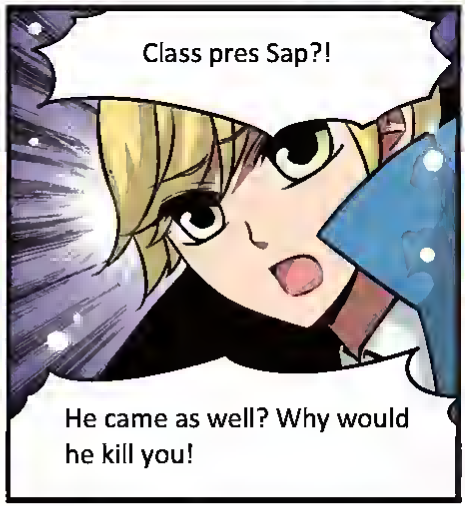


Just now when I checked, you no longer had any heartbeat or breathing------
Why did you suddenly recover?
As a human, It would not be possible for Christine to do this kind of thing.
I know there's a type of wanderer that can peek inside a human's inner heart, becoming a appearance that the person recognizes.
Are you that kind of thing?
I am Christine.

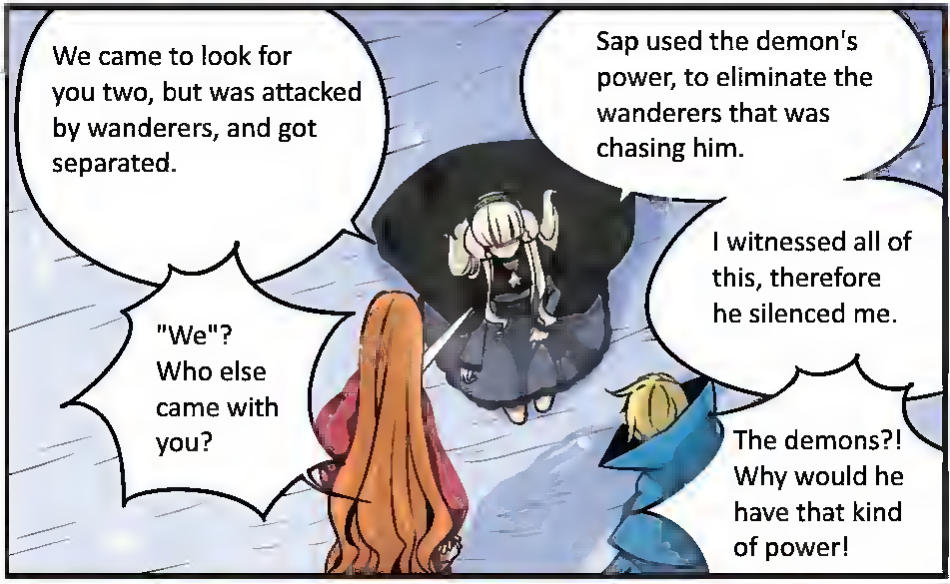
But you were already dead just then.....
Just then, I was indeed dead.



Killed by Sap.



Class pres Sap?!
He came as well? Why would he kill you!



We came to look for you two, but was attacked by wanderers, and got separated.
Sap used the demon's power, to eliminate the wanderers that was chasing him.
I witnessed all of this, therefore he silenced me.
"We"? Who else came with you?
The demons?! Why would he have that kind of power!

As for, why I'm able to revive from the dead.....
Hey, you're not listening to what I've been saying!
Ah.....
That's because I am a "Huizi".
A mixed blood between a human and demon.

Good Luck, Demon King!
